Dear Mr. Kahn:

Please be advised that the Board of Certification, Inc. (BOC) Professional Practice and Discipline Committee (Committee) has rendered the following decision with respect to the charge that you violated Codes 2.3 and 3.9 of the Code of Professional Responsibility (COPR) section of the BOC Standards of Professional Practice.

In a Charge letter dated May 15, 2017 the BOC informed you that the Committee had determined that good cause existed to believe that you have violated Codes 2.3 and 3.9 of the COPR section of the *BOC Standards of Professional Practice* based on the fact that your 2015 audit was to be completed by February 24, 2017. To date, you still have not yet complied with the audit.

 - I am aware that I am required to maintain ongoing certification in Emergency Cardiac Care (ECC) throughout the reporting period and I must keep these records for at least 2 years after the reporting period has ended.
 - I am aware that the BOC reserves the right to audit me at any time and that failure to comply with BOC audit policies may result in the suspension of my BOC certification.
 - I am aware that falsification of this report may result in the suspension of my BOC certification.

Conclusions

Based on the lack of response to BOC notifications, the Committee determined that the facts above are valid and that such actions violate Codes 2.3 and 3.9 of the COPR section of the BOC Standards of Professional Practice:

Code 2.3: The BOC certified athletic trainer Complies with the most current BOC recertification policies and requirements.

Code 3.9: The BOC certified athletic trainer is candid, responsible and truthful in making any statement to the BOC and in making any statement in connection with athletic training to the public.

As a result, the Committee has issued the following sanctions regarding your certification:

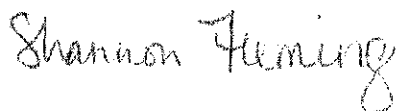

Your certification status is considered Suspended. Suspension of a BOC certification is considered public information and may be published or otherwise disclosed by the BOC. Pursuant to Section 10 of the BOC Guidelines, upon execution of this Decision Letter, you are required to return by traceable mail your BOC certification card to the BOC office within 10 calendar days. Further, while your certification is Suspended, you are not authorized to do the following:

2. Serve as an item writer for the BOC certification exam; or

Your certification status will remain Suspended until you comply with the 2015 Continuing Education Audit. If you have not complied with the 2015 Continuing Education Audit by December 31, 2017, any request for reinstatement of certification must be reviewed by a Reinstatement Panel.
