In a Charge letter dated April 19, 2021, the BOC informed you that the Committee had determined that good cause existed to believe that you have violated Codes 2.2 and 3.8 of the COPR section of the *BOC Standards of Professional Practice* based on the facts that your 2018-2019 audit was to be completed by August 21, 2020. To date, you still have not yet complied with the audit.

You also indicated on the Receipt Confirmation of Charge Letter, "I do not admit to the truthfulness of the allegations outlined in the enclosed Charge Letter and decline to enter in a Consent Agreement with the BOC. I do NOT request to have a hearing."

Conclusions

The Committee determined that the facts above are valid and that such actions violate Codes 2.2 and 3.8 of the COPR section of the BOC Standards of Professional Practice:

Code 2.2: The BOC certified athletic trainer complies with the most current BOC recertification policies and requirements.

Code 3.8: The BOC certified athletic trainer ensures that any information provided to the BOC in connection with exam eligibility, certification recertification or reinstatement including but not limited to, exam applications, reinstatement applications or continuing education forms, is accurate and truthful.

As a result, the Committee has issued the following action regarding your certification:

Your certification status is considered Suspended. Suspension of a BOC certification is considered public information and may be published or otherwise disclosed by the BOC. Further, while your certification is Suspended, you are not authorized to do the following:

1. Represent yourself to the public as a practicing Certified Athletic Trainer or use the certification marks "ATC" following your name; or
2. Serve as an item writer for the BOC certification exam; or
3. Serve as a supervisor of students who are satisfying the athletic training requirements for certification eligibility.

You may petition for reinstatement in accordance with Section 12 of the BOC Discipline Procedures. Such petition may be filed upon your ability to provide proof of compliance with the 2018-2019 CE audit, or you are prepared to take the BOC Certification Exam for reinstatement. Such petitions may be subject to a background check and panel review. Contact the BOC office for reinstatement fees and procedures.

Jason, this matter will remain a part of your BOC certification file and may be used for the purpose of determining sanctions in any future matters that come before the BOC Professional Practice and Discipline Committee or other Disciplinary Panels. You have the right to appeal a decision made by the Committee. An appeal must be received by the BOC within thirty (30) days of receipt of this decision. The appeal must be written and addressed to the BOC Chief Executive Officer. For details regarding the appeal process, please see the enclosed procedures.

Sincerely,
